Our Mission

To be the market leader in our chosen Specialty and Commercial spaces by being industry experts and making a difference to our brokers and clients.

How Berkley Canada Is Different

Berkley Canada is committed to providing essential business coverage over the long term. We apply our experience, industry expertise and underwriting knowledge to develop fully-featured and realistically priced protection on which our business partners and clients can rely now and into the future. We are a local commercial insurance company, with local underwriting authority, who has access to the resources and stability of a global corporation.

RESPONSIVE

At Berkley Canada we are committed to making a difference to our brokers and clients. We provide a consistent service standard in all areas from insurance expertise, quotation, policy issuance and claims services to ensure working with us is as easy as possible. Berkley Canada is a local company with local underwriting authority who can respond quickly and offer new products to the Canadian market place.

CREATIVE

Our team of experienced underwriters are industry experts in their respective lines of business. At Berkley Canada we offer a broad portfolio of risk products tailored to meet the unique needs of our customers.

SECURE

Berkley Canada provides its clients with access to the resources of a major, global corporation combined with the personalized service of a local company. We are a member company of W. R. Berkley Corporation, recognized as one of the most respected names in the property casualty insurance business.

About W. R. Berkley Corporation

W. R. Berkley, founded in 1967, is one of the U.S.'s premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
